

# Swimming Pool Plan Review Requirements

- Completed Application
- Cost of Construction
- Site Plan including all dwellings on property where pool is being installed
- Site Plan needs to specify footage between pool and house & design of pool

Plan Review Fee is \$70.00

Permit Fees are based on Details of Installation after Plan Review

You can send site plan and pool drawing via email and once the plan review is completed you can forward a check for plan review fees and permit fees via postal service.

Thank you!
